# ASEV-Eastern Section Scholarship Program

## Supported by the Scholarship Auction at Wineries Unlimited

Funding for the ASEV-Eastern Section Scholarship program is largely obtained thru the Scholarship Auction held at Wineries Unlimited each year. Prime space on the trade show floor is provided by Vineyard & Winery Management, and items for the auction are donated by many generous vendors who understand and support the role of scholarships in developing the expertise that will guide the future of the wine industry. The Eastern Section and students who benefit are deeply grateful for this support and encourage your contact with these donors:
